The star rating for Gilbert Stuart Middle School was most affected by performance on Achievement & Growth.

This school was identified for Comprehensive Support and Improvement for 2018-19 due to Achievement & Growth, and Overall Low Performance.

A school's star rating is the lowest row where points are circled. If a column is missing a circled point score this means there was not enough information to score that indicator, such as having too few students for that indicator.

Star Rating	Achievement – ELA and Math (Max. 8 Points)	Growth – ELA and Math (Max. 6 Points)	English Language Proficiency (Max. 4 Points)	Graduation Rate (Max. 5 Points)	Exceeds Expectations, Absenteeism, & Suspension (Max. 15 Points)	# of Low-Performing Subgroups

★★	5-6 total points*		1 point	2 points	5-6 points**	
★	2 points	2 points		1 point		

Once the school's star rating is calculated, the number of low performing subgroups (right-most column) is counted. A low performing subgroup, or subgroup identified for Targeted Support and Improvement (TSI) is a subgroup that would earn one star if it were its own school. A subgroup identified for Additional Targeted Support and Improvement (ATSI) would be identified for Comprehensive Support and Improvement if it were its own school.

Subgroup Identifications (TSI, ATSI, or both): 7

This school's ELP index is 48 out of a possible 110.

3 Points	>= 80 (index)

How was this calculated?

Individual targets are based on students' initial level of proficiency. All students have the same goal of proficiency in English, but the level at which a student entered determines how many years they have to reach that goal.

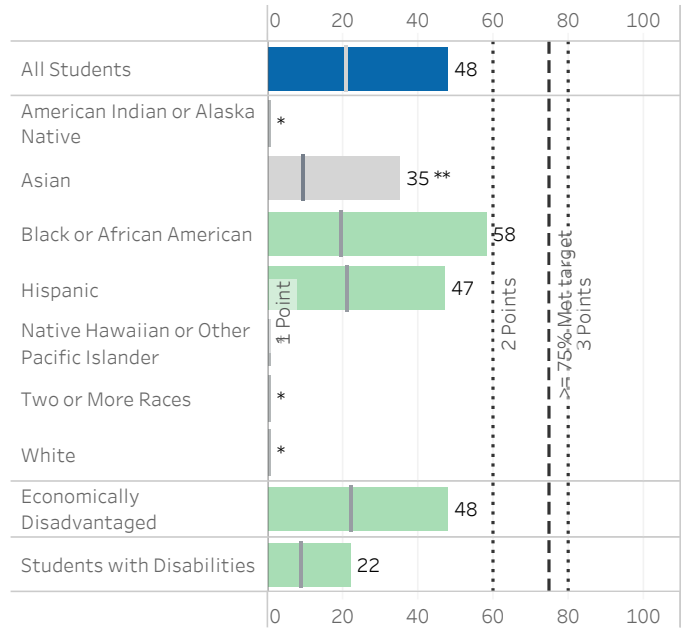

Next, the proportion of progress compared to the target is calculated for each student.

Finally, this is capped at 0 (no negative scores) and 1.1 (110% of the target), averaged across all students in a school, and multiplied by 100 to get the school's ELP index.

*Blank rows indicate too few students to report.

**Subgroups with 10-19 students are reported, but not included in accountability determinations.
