The Rhode Island Report Card is a central platform for data and information about school, district, and state education performance in Rhode Island. Report Cards are required under the Every Student Succeeds Act (ESSA), the federal education law, and Rhode Island's approach has been praised nationally for its transparency, accessibility, and holistic approach to school accountability. Within this platform, students, parents, community members and all Rhode Islanders can learn more about how schools are performing on a wide range of metrics, including state assessments, student and teacher chronic absence, and participation in advanced coursework, as well as survey data on school climate and culture.
